Dear Parent / Carer,

## CAKE SALE PRICE INCREASE

The PTA have recently reviewed the prices charged at the class cakes sales and have decided that they will be increased.

From the next cake sale which will be Ms Byatt's sale on 8<sup>th</sup> March the minimum price of individual cakes will rise to **50p**. Alongside this the mixed plates of cakes will now cost **£2**

The prices charged have remained broadly the same for a number of years, however the cost of ingredients has been gradually increasing and we now feel it is time to better reflect the price of ingredients and the time and effort taken to bake cakes. Similarly, packs of shop-bought cakes have been increasing in price.

Alongside these considerations is the increase in cost of the items the classes would like to buy with their cake sale funds. Some classes like to use their money to pay for annual subscriptions, and these are also subject to price rises.

Please speak to your children about these changes, particularly if they shop at the cake sale without you, so that they are aware of the increase in prices. You may wish to adjust the amount they bring in to spend. All prices will be clearly displayed on signage at the sales.

All the classes very much appreciate your ongoing support at the cake sales, as they provide items not available from normal school spending.
