

# COMPANIES GIFT MATCHING SCHEME

The following companies in the United Kingdom are those that we understand currently match gifts donated by their employees. However, this list is not definitive! If your employer is not listed, please contact your Human Resources department to find out if they operate a matched funding scheme. A number of companies abroad, especially in the US, also operate similar schemes. In most cases, the company will match your donation pound for pound up to a specific level; a handful of organisations even double-match. It makes a significance difference to the amount raised from events. Please contact your HR department to make a matching gift, they should be able to give you a form to complete confirming the gift you have made. You then send that form to us so we can confirm receipt of the gift. That's all there is to it!
