

Dear PTA members

We are really pleased to see that so many of you are as excited to see Happy's Circus on 22 April as we are. However, please ensure that if you are booking additional tickets that they are booked in the name of the Lead Guest of an existing booking. No child will be admitted to Aldryngton School Field without the Lead Guest, who is responsible for them, present.

In the event that a family kindly chooses to host another child, please ensure that the ticket is in the name of the Lead Guest of the host family. The circus is being organised by a team of volunteers who are not closely associated to the school and therefore cannot be expected to have knowledge of friendship groups to link tickets. If you have booked a ticket/s for a child/children with the intention of them joining an attending group, but have accidentally not used the Lead Guest name, please contact the circus team at ptateams@aldryngtonpta.com as a priority. So that we can resolve the ticketing query and avoid upset on the day.

No unaccompanied or unsupervised children will be allowed access to the Aldryngton School Field and therefore the circus. Please ensure that your group enters together.

Finally, today is the last day of exclusive access to tickets, so please ensure that you buy your tickets shortly.

Many thanks – The Circus Team
