Dear PTA Members,

We are looking forward to seeing everyone at the Eid Summer fayre this year. We have lots of fun activities planned especially the year 6's will be having some really enjoyable stalls to offer everyone of all ages. There will also be stalls for silent auction, jewellery, henna & face painting, sand art and body shop and much more.

There will be plenty of food with freshly cooked burgers on bbq as well as vegetarian options available. Come and pick up a biryani or some samosas and pakoras. If you have a sweet tooth then there will be plenty of cakes, desserts and sweets too. It looks like its going to be hot so plenty of cold refreshments available too.

We are still looking for volunteers so please come and support your school to make this a wonderful memorable event for our whole community. It is an open event for the whole school to enjoy together.
