Registered Charity No. 1026094

Dear Parents and Carers,

The pre-loved uniform shop will be available after school this Friday from 3:15 to buy.

If you haven't thought about uniform yet, why not browse the rails this Friday. Logo jumpers and cardigans are around £4 and non-logo items are £1 each. We have good quality items and buying an item not only supports the school but also you keep these items from going to landfill.

For those who want to donate uniform to the PTA please bag up any uniform and place this in the black wheelie bin located in front of the school office.

Kind regards,

PTA Uniform team
