

Aldryngton School PTA

Registered Charity No. 1026094

Dear parents, guardians and teachers,

Due to the success of the pop-up shop, we ran just before mother's day, the PTA will be running a pop-up shop for Father's and someone special day.

We will have several gifts you can purchase across the three days (12th, 13th and 14th June). Please check out via the attached PDF, a selection of some of the gifts we will be selling, and we will give further information when we return after half term.

Thanks to everyone who has supported our PTA events either volunteering, planning or match funding. The PTA supports the school and raises vital funds for equipment and books. We wanted to fund the pupil wellbeing area outside, but our funds are falling short. We still need more parents who can help by match funding any money we raise.

We have several events planned next term. Try-a-Tri is a great event to get involved. Don't forget registration closes on Friday.

If you want to get involved a little or a lot, please do reach out to the PTA officers via email ptaofficers@aldryngtonpta.com.

We are looking for several people to shadow existing roles as some event organisers will be leaving the school, next year. School Disco, Santa Grotto and Pre-loved uniform coordinators are just a few roles we want to fill before the end of term.

Kind regards,

PTA Teams
